

Out of my corporate job,
when I started Avatu,
in 2018, my objective
was to enable regular
people to route work
effectively through the
enterprise.

Rajender Sharma, CEO & Founder of Avatu
www.avatu.in

Avatu

Avatu is Sanskrit word meaning "PROTECT" but for us it means "TRUST" you can put in us for honest, transparent and for-ever relationship which goes beyond the contract. For Avatu, our clients' and employees' success is of utmost value and aligning our goals with your goals for best outcome.

Avatu's Philosophy

We will go to ends
of world to help our
clients.

We create Deeply Human-Centric Future for our clients

We have helped clients –

- automate up to 70% of their manual tasks
- slash resolution time by 75%
- digitalize 100% of their employee onboarding
- increase their client satisfaction by 5X
- with on-the-go mobile self-service

Avatu's Global Clients' Industry Verticals
